

Sheboygan County Beekeepers Association
May 8, 2012

Treasurer's Report - Total in Savings and Checking - \$1,489.94

Present - 40

Pass around the Q & A sheet.....

Old Business

- Picnic - providing meat entres. Starts at 6:30. Tammy - should club provide hamburgers (hotdogs) and buns? Condiments are provided. Passed around a sheet to see who is coming and if they are bringing their own or club is providing.
- Book donations to High School are done. Perhaps purchase some more for other schools next year.
- July refreshments still needed.
-

New Business

- John Holzwarts' picture in Green Lake County magazine.
- Epien usage-----need prescription.....if you have had anaphlatic reaction. Information and video on line.
- Bees from tropical areas.....nucs included hive beetles. Jamie had hive beetles in March. Don't let honey sit after you extract it. Freeze it. Signs from political signs. Needs a warm, moist area. Our normal winters are hard for them to survive.
- Kurt put out information on bottling honey.
- Purchase a miniature hive for demonstration purposes.
- Eugene has some nice Sheboygan County Beekeepers Association signs.
- Facebook page for Sheboygan County Beekeepers - can go on there to post questions and someone will answer them.

Question Period..... Hive report.....

ProgramShaun Brachmann - Mead

Motion to adjourn - First - John

Second - Jay
